Subject:	Re: trying again...

Hi Karl
Thx. I'm extremely busy these days. And here there is no government yet.
Unfortunately I'm sure we will see many governments following the Holy See. So you will have more opportunities.
In the mean time please find if you can some of the photos of my wife and myself with other guests in your fascinating event.
We are ready to pay for them if that's needed.
Best
Ehud Barak
